**Sacramento French Film Festival**  
**June 21-30, 2019**

The 18th annual SFFF is coming up at the end of June!  
Find this year's program [here](#) :)

The Sacramento French Film Festival is a unique cultural event that brings people together around films and French culture in a festive atmosphere.

The SFFF celebrates the artistic, cultural, social and historical values of films. The SFFF fosters friendly relations between American and French people through the universal language of art.

The SFFF organizes other events throughout the year, like a popular Winter Short Film Screening and a Fall Mini Fest.

**The SFFF is held every summer at the Crest Theatre (1013 K Street) in Downtown Sacramento.**

It is dedicated to celebrating the present and the rich history of French cinema by premiering new films, rediscovering classics, presenting French short films in exclusivity, and Sacramento shorts with a «French flavor» produced by Sacramento artists.
