

GOOGLE CLASSROOM

This summer we are switching over to **Google Classroom** from Apolearn for our online classes. **Google Classroom** is a digital learning space where you will find course materials, homework assignments, resources, and how you will communicate with your teacher and classmates.

A Student's Guide to Google Classroom

If you already have a Gmail address, you have a Google Account.

If you have a Google Account, when you receive an invitation to join a Google Classroom from your instructor, go ahead and **click "Join"** and sign in with your Google Account. That's it.

[Watch this 4 minute video and follow the instructions](#) on how to join Google Classroom and create a Google Account associated with **your current email address**. You'll want to have your phone at hand when setting up the account, as you'll receive confirmation codes.

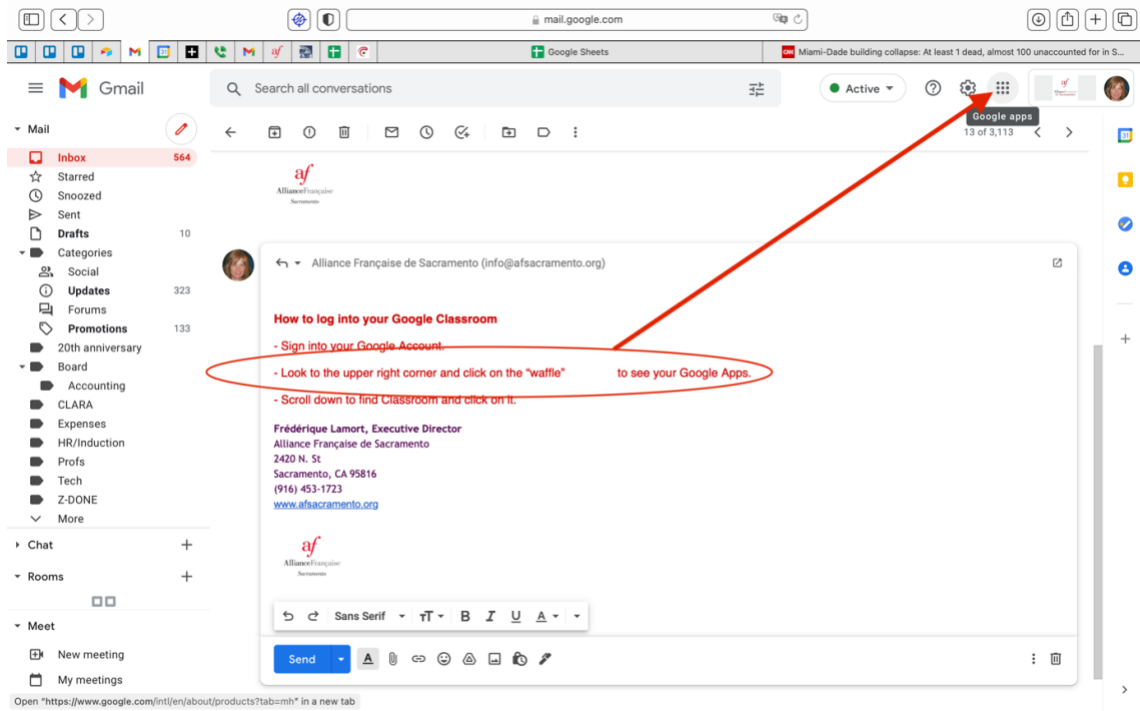

Once you have followed the instructions in the video and have set up your Google Account, you can proceed. Once you receive an invitation to join a Google Classroom from your instructor, go ahead and click "Join" and sign in with your newly created Google Account.
